

Steps of Justice seeks to serve in a number of ways, fitness is just one of them. Our CrossFit coaches are preparing to lead a team of 10 to Cambodia for a 10-day short-term mission trip to work with a few other non-profits to learn, serve, and share the love of Jesus.

As part of the mission trip, our coaches have been invited to Cambodia to help run a CrossFit camp in partnership with Agape International Mission (AIM).

AIM's Mission is to rescue, restore, and reintegrate survivors of sex trafficking through Christ's love and the Gospel. Their Vision is the love of Jesus Christ through His followers will defeat the evil of sex trafficking and sexual slavery.

AIM has realized there is great power in using fitness to help their community overcome significant issues by providing a positive outlet.

While with AIM our coaches will be running a three-day CrossFit camp that trains local kids and youth in the community about fitness and nutrition. The camp will be held at The Lords Gym. More information can be found at: <https://www.facebook.com/watch/?v=1183222115429592> where we will be serving the youth of the community.

Why Cambodia? The country's unique economic challenges, history, and geographic location made it a hub for targeting, transporting, and harboring trafficking victims. It used to be the child sex trafficking capital of the world, but change is happening...

Cambodia is one of the poorest countries in the world and its economy is largely fueled by agriculture and tourism. Our coaches have a longstanding relationship with multiple NGO's working to help bring positive change.

Steps of Justice has been leading teams to Cambodia for 11 years to learn, serve, and partner with AIM and other Christian NGOs that are serving some of the most vulnerable populations of Cambodia.

100% of the funds you pledge toward my jump ropes this month will go towards helping my coaches run the CrossFit camp at The Lord's Gym.
